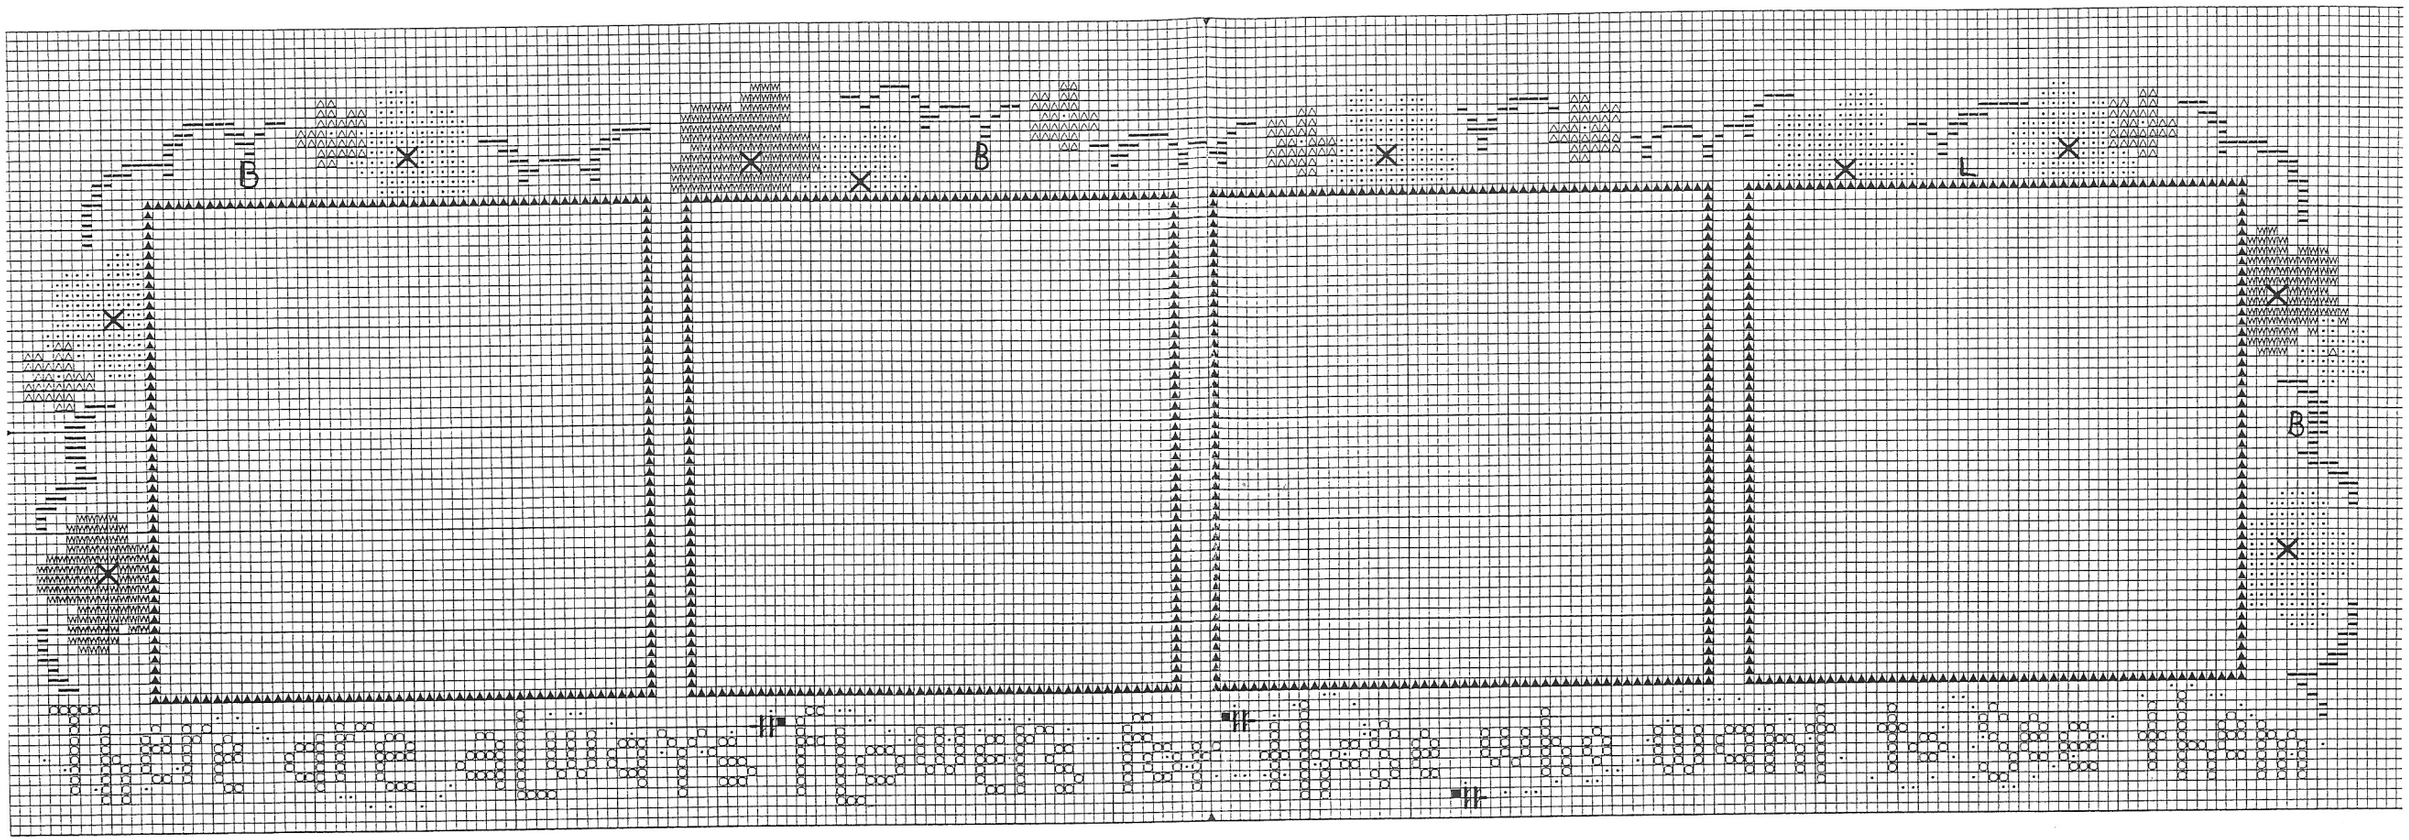
Spring Snapperland



Stitch Count
233 X 76

Design Size
14.6" X 4.8"

Button placement

X Snap Placement
B Bee Buttons
L Lady Bug Button

Model stitched on 32 ct Smokey Pearl over two linen threads with two strands of floss.

The Xs mark the spots to attach your SNAPS. To attach your snaps just place the back of the snap through the back of the linen and then attach the top of the snap on the top. No stitching needed.

Each square represents the space that you will use to stitch each Spring Snapperland design.

Long stitch the bee stripes and stinger with one strand of onxy
